THE WAR HORSE

Lest we Forget

Beside the enormous human sacrifice of World War 1, was the role of the war horse and the huge sacrifice they made.

The following is a beautiful and moving poem. Don't be surprised if you shed a tear. The poem was written by poet **Neil Andrew** and is titled...

"I SPOKE TO YOU IN WHISPERS"

Just type this into your Internet..

There is also a beautiful painting which accompanies the poem.

ANZAC DAY
25th April 2020

*"They shall grow not old,
as we that are left grow old;
Age shall not weary them,
nor the years condemn.
"At the going down of the sun
and in the morning
We will remember them"
Lest we Forget*

Keeping your Distance

We are being strongly encouraged to "keep our distance" from others to avoid the coronavirus. What better way to do this than to stay at home, but that reduces our social contacts which are very important, particularly for those in retirement who do not have the daily business contacts.

Mobile phones have greatly increased our ability to talk to others wherever we are, but there is nothing like face to face meetings either one to one or in a group. Facial expressions are an essential part of communications, even more so for those with hearing loss. The unconscious reading of lips and other facial expressions greatly assists understanding.

A reasonable alternative is to use one of the video chat applications which enable us to see and hear conversations between

two or more people. Current laptops, mobile phones and tablets have the three basic requirements, speakers, camera and microphone. With desktop computers, you may need one or more of these components added.

There are a number of video chat applications available, such as Skype, Google Hangouts, Apple Facetime and many others. There are both free and paid options in some apps. For private use, the free options are usually adequate.

Google Hangouts is shown here, with a group of 6 people and showing some of the options. This APP can be used by 2 to 10 individuals. Other APPs have various options.

CLUB CLOSURES

A reminder to members that our Computer Club will be closed on

EASTER MONDAY, 13TH APRIL.

and

MONDAY, 27TH APRIL FOR ANZAC DAY PUBLIC HOLIDAY

NOTICE TO MEMBERS:

Please note during the winter months, we will be closing on Mondays at 12.00 noon in lieu of 1.00 pm.

AVOIDING CROWDS FOR SAFETY

The coronavirus infection concerns make on line shopping and home deliveries for food and other necessities, a good option to avoid the risk of mixing with crowds.

Woolworths, Coles and Harris Farm are popular. Harris Farm also has prepared meals averaging \$10 per serve with cooking instructions. **Dinnerly** has meals from \$5.25 per person. Others include **HelloFresh**, **Marley Spoon**, **Lite 'n Easy** and Meals on Wheels.

Of course we should favour our local shops, Oakhill Oriental, IGA, Mexis, Sedici, and Pizza Cutters (near Chemist Warehouse). Browse "meal deliveries Sydney" for more options.

Also don't forget our own Wills Cafe has frozen meals and lunch time takeaway.
